# Tabella

Tabella, meaning “beautiful table”, is a rental business that offers a thoughtfully curated selection of tableware and table linen sourced from inspired artisans around the world

It is co-owned by sisters, Ayomide and Seun, who come from a family that enjoys hosting – from casual family barbecues to dressy birthday dinners. Naturally, they came to appreciate the different elements that create a memorable culinary experience.

So when it came to planning her wedding in Lagos, finding the right tableware pieces to fit a romantic, Mediterranean-inspired aesthetic was very important to Ayomide. However, she found the tableware options limited.

Tabella was born out of this experience.

Tabella has a fresh, colourful, and unique character. Its stock consists of vibrant and quirky pieces aimed at elevating your event and dining experiences.

Tabella is here to make those important moments all the more special!
